BRODHEAD.

The fair for 1907 has come and gone and is only a pleasant memory of the past. For the crowds, it was a record breaker and under the guidance of Pres. R. H. Hamlin Vice-Pres. Granville Owens and Secretary John Robins, was a success financially as well as every other way. Jesse Lee, the six weeks old baby of Mr. and Mrs. A. E. Albright, died Tuesday of last week and the remains were laid to rest in the Baptist cemetery Wednesday morning, after services at the grave conducted by the Rev. J. A. Sawyer. The bereaved parents have our sympathy. Eugene Gentry has accepted a position as clerk in Albright & Adams' general store and will hereafter be found smiling behind their counters. Both hotels were taxed to their full capacity during the fair. Mt. Vernon did herself proud with the large delegations furnished each day of the fair. Miss Maranda McKenzie was the guest of Mrs. D. B. Rambo from Friday until Sunday. The Misses McCall, Hazel Patch, were visitors of Miss Jewell Francisco during the fair. Mrs. A. J. Pike and sons, Ben and Goebel are visiting in Livingston this week. Prof. W. R. Dickerson and his most estimable family have moved to Livingston, where the Prof. has charge of the public school. Misses Ada and Cora Wesley and Daisy Wilkinson, and Messrs Rod Wesley and John Maynard, of Liberty, were among the visitors of Mrs. M. S. Durham at the Frith Hotel during the fair. W. H. Leece of Monticello, spent a few days with his parents Mr. and Mrs. Granville Leece, on Copper creek. Ed Shay and Wm. Rice, of Corbin, were guests of Mr. and Mrs. D. B. Rambo during the fair. Mrs. J. M. Clark has as her visitors Miss Bessie and Mr. Arthur Keisling of Knoxville, Tenn. Mrs. Monie Dunn and daughter, Miss Ella, and Miss Roberta O'Bannon, of Stanford, were guests of Mr. and Mrs. J. G. with their many friends and acquaintances. A. C. McClary cashier of the Bank of Troy, was the guest of F. L. Durham during the fair. Dr. Wm. Jones was the guest of Dr. W. F. Wallen, of Somerset, Oscar and Walter Wallen, of Crab Orchard, Miss Beulah Wallen, of Cedar Creek, and Misses Beulah Smith and Bobbie Davis, of Mt. Vernon. Miss Ermine Tharp is very sick we are sorry to say. Miss Sallie Newland and Master Fred Parsons have returned to their home at Lebanon Junction after spending one week with Mr. and Mrs. E. B. Newland. Dr. Walker Owens, of Pongo, and Mr. and Mrs. I. N. Grabel, of Level Green, were among Mr. and Mrs. Granville Owens' many visitors fair week. Rev. J. A. Sawyers, of London, was down to attend the funeral of Jesse Lee Albright. J. E. Storms, of Keavy, visited Mrs. Lou Storms during the fair. He needs no recommendation, as he was here for a few months last year and is widely known.

Mr. and Mrs. L. B. Hilton, of Rowland, and Mrs. Nannie and E. S. Albright, of Mt. Vernon, were visitors of Mr. and Mrs. J. R. Cass during the fair. ANNOUNCEMENTS

We are authorized to announce G. T. JOHNSON as a candidate for County Court Clerk, subject to the action of the Republican party.

THE rods of raucous rot daily printed in the big city papers about the vulgar rich, their sayings and doings; their comings and goings, what they eat and how they eat it; what they drink and how much of it; what they wear and how when and where they wear it; minute write-ups, with pictorial illustrations of every deed worn by brainless women, full description of every garment, including the embroidered and hemstitched clothes, prepared before-hand for the unborn brats—all their fulsome nauseous stuff, drooled out daily in the big papers—by the column and by the whole page—a sort of gross pandering to riches—a servile worship of snobocracy; a putting of the forehead to the ground when the money moloch passes down the street, does more to stir up the devil in a man than all else combined. This sort of man worship may go all right in countries where one man is acknowledged to be better than another, but it will never go in this land of the free and the home of the brave; and the sooner the big papers let up on these daily flouting of money in the faces of decent people, the quicker all sorts of devilishness will cease to be a menace to our government.

If some day the newspaper man should print the contents of his waste basket there would probably be a riot. There would certainly be trouble in many homes, arrests in some direction, shot guns in others, trouble all around. But the patron never sees the waste basket. He only glances at the beautifully printed pages, complains if one letter in fifty is upside down, grows his disappointment if one name in five hundred has happened to go wrong, kicks because his communication, signed "Tax Payer," has been condensed into respectable English frowns because the editor didn't take his advice about publicly warning his neighbor against throwing more melon in the alley, and is generally disgruntled, not so much at what he fails to find. He knows his share of the waste basket, but if he could have one look at the contributions made to that receptacle by his neighbors and friends, he would thank God for the existence of a man with sufficient intelligence and courage not to print all he knows, and to temper even that which he does print.

SAID a well known business man to us the other day: "It would not hurt you to occasionally mention our business in the paper. It would help to fill up your know." Yes, we might do it. We haven't the least idea on earth that it would hurt us, and it would, as he suggests, help to fill up. We might do all this, but at the same time, thank God, we do not have to do it unless we feel like it. It would not hurt him, neither, to come around and say: "Give me a column or a half column of space for an advertisement, and here is

the money for it." By doing this he would become a deserter to that grand army of dead-heads who expect the newspapers to continually note the improvements they make, by giving them free puffs, and for which they never pay a cent. It is high time for all classes to learn that a newspaper is a business enterprise, the same as a dry goods store or a grocery, run for a living for its owner."

YOUNG man let us give you the benefit of our observation. We have noticed that at least nine tenths of the young men who have been before the court for misdemeanor are those who take no interest whatever in education, seldom read a newspaper, and are always ready to make fun of other young men who use correct language and try to be somebody. It comes natural to them to discourage the studious and ambitious young men of their acquaintance. Their minds run toward dirty stories, midnight sprees and bad company. This in a short time means trouble, a sheriff's invitation to attend court, and a fine or term in jail.

POLITICS AND POLITICIAN

Secretary Taft delivered an address at Columbus, O., Monday which is regarded as the opening gun of his presidential campaign. The largest part of his speech was devoted to the railway rate question and the trusts. He strongly indorsed the policies of President Roosevelt.

A Covington special contains this bit of political information: That Richard Ernst, chairman of State Republican Campaign Committee, and otherwise leader of the party in Northern Kentucky, is no longer a secret in Campbell county. His friends are active in his behalf for the high office and are booming him to succeed Senator McCreary, and pledges are being brought from prospective candidates for the State Legislature to vote for the Covington leader should they be successful at the coming election.

At a meeting held at Frankfort Thursday by unanimous concurrence of the Democratic nominees for State offices and the members of the Campaign and Advisory Committees it was decided to open the campaign this fall at Lexington on Saturday August 31st. or hardly two weeks after the Republican campaign has been started at Maysville. Lexington was first suggested by Judge S. W. Hager, the candidate for Governor, and was easily the choice of the other candidates who felt that his desire, as the head of the ticket, should be paramount to other considerations. Several suggested that it might be well to infuse the vigor of the opening of the fight in Western Kentucky, so as to arouse the big Democratic vote—the only trouble there—but the accessibility and convenience and the enthusiasm always manifested by the Democrats of Lexington and its vicinity on such occasions, easily convinced the candidates and other leaders that it is the right place. It is expected that the opening will be held in the day time, arrangements will be left to the local Democrats. Immediately following the opening Judge Hager will begin a speaking tour of the mountain section of the State, while Governor Beckham will go right to Western Kentucky speaking the following Monday at Paducah. Speaking will also be put on the stump in every county seat where there is court on that day.

Suit to be instituted by the Government against the International Harvester Company for alleged violation of the Sherman anti-trust act. The papers in the proposed action are being drawn at the Department of Justice in Washington. This Company was indicted at the last term of Circuit Court here.

Mt. Vernon, Ky.

On February 2nd 1907 G. D. McLean, of this county, bought eight ewes for which he paid \$64. In March they dropped 22 lambs, and reared twenty-one of them. On Friday last, Aug. 9, he weighed the nice sum of \$130.20. Besides this he clipped \$20 worth of wool from the ewes and has them left, having them left, having retused \$7 per head for them. We consider this quite a profitable herd.

The chances are that Mt. Vernon will soon have a brass band. We have the boys who have the music in them and all that is necessary is a little effort in them to get it out.

The board of town trustees have ordered side walks built on several of the streets. Those who have to build should inspect the one just completed by G. T. Johnson in front of his property, get prices and if at all possible follow his splendid example, of making the best. It looks better, it will last better and is better to build the concrete walks.

We call attention to the announcement of G. T. Johnson as candidate for County Court Clerk, which appears in this issue. While it is sometime yet, more than two years before the final election, yet Mr. Johnson believes in doing things in time, and has therefore decided to make his announcement at this early date, that his friends and those disposed to assist him in the race might know his intentions. We will give a more complete write-up at a later date.

THE DESERTED VILLAGE.

AUGUST 20, 1907. (By G. Albert R.)

Mt. Vernon! Oh, Mt. Vernon! Rockcastle's county seat;

The pride of all Kentucky;

But to-day you're incomplete.

What if the sun does shine to-day?

What if we hear a warbled lay?

What if the bee hums merrily,

And butterflies are blithe and gay?

The sun's rays pour forth naught but heat,

And twittering birds, whom do you greet?

The bee does bring a painful sting

And flow'rets lose their perfume sweet.

The passing train sound but a knell,

For—she is gone, My Blue Grass Belle.

—Dedicated to the absent one, Miss R. W., of Mt. Vernon, Ky., without permission, but with great respect by the author.

CONSIDER what the hen does when she is working, now that her strike is on and she clamors for rations. The market value of "Biddy" is about 25 cents and the value of her daily produce 1 cent or one 25 part of her own worth. True, her career is short, but long enough for her to earn her value many times over, and that cannot be said of some in this world who have great pretensions to usefulness.

People's Cure for Stomach Ills

It would be folly to say that a person should always be his own doctor. There are times when one cannot be too quick in consulting a competent and reliable physician, but the fact does remain that there are many ailments that can be cured at home at very little expense. Such remedies can be bought at any first-class drug store for a small sum.

Among the diseases that can be effectively treated at home are such as: pertin to the stomach, liver and bowels, like constipation, dyspepsia, biliousness, flatulency, sour stomach, bloated stomach, sick headache, heartburn, etc. For these troubles there is no better remedy than Dr. Caldwell's Syrup Pepsin, the great stomachic and among its staunchest friends are the doctors themselves. In such troubles they know they have nothing better to offer than the immediate contained in this remedy, and hence the liberal ones advise their patients to take it.

It often happens that at the commencement of an attack some people hesitate to take such a simple remedy, and run to a doctor, but after trying various doctors they find that Dr. Caldwell's Syrup Pepsin and have their confidence rewarded by a cure. A good case in point is that of Mr. Herrin, of Lawrenceville, Ill., who suffered from the doctors called a curable of the stomach. He gave up to die by three leading physicians. He had no appetite, couldn't digest what little he did eat, had severe pains in the stomach, and finally, when he himself thought he would die. Ultimately he was advised to try Dr. Caldwell's Syrup Pepsin and did so, and now he is entirely cured and has gained 25 pounds. He naturally advises all sufferers from weak stomach to use it. It can be had in 50 cent and \$1 bottles, and results are absolutely guaranteed or money refunded.

Buy a bottle to-day and watch results!

Those wishing to try Dr. Caldwell's Syrup Pepsin before buying, can have a free sample bottle sent to their home by addressing the company. This offer is to prove that the remedy will do as we claim, and is only open to those who have never taken it. Send for it if you have any symptoms of stomach, liver or bowel disease. Get it at once! It is the best remedy for children, women and old folks. A guaranteed, permanent home cure. THE PUBLIC VERDICT: "No Laxative and Laxative" as DR. CALDWELL'S SYRUP PEPSIN. RACING IN THE AIR.

BALLOONS MATCHED FOR KENTUCKY STATE FAIR.

HALF-FARE ON ALL RAILROADS

Tickets on Sale For Eight Days—Should Mean a Record-Breaking Crowd.

The south has never witnessed a balloon race. For some time, contests of this kind have been quite a fad among the European aristocracy. At one or two points in the north in this country they have been successfully carried on, but for the first time in the south a balloon race will be conducted at the Kentucky State Fair, to be held in Louisville, September 16 to 21. Constructed especially for racing purposes, and each in charge of a competent operator, this feature of the big amusement program of the Kentucky State Fair can not help but prove a great attraction.

The balloons to be used during the week of September 16 to 21 at Louisville are exactly the same size. They will be released simultaneously, and will ascend to a height that takes them into an air current, when the race will begin. Ballasts of sand and the skill of the operator will decide the contest. For a time, the balloons will naturally be "neck and neck," as it were, then the operator who is most familiar with air currents, and the manipulation of the ballasts, will succeed in forging ahead of his opponent. At any rate, the race should prove as exciting as a speed contest on Mother Earth.

NOTHING BUT THE BEST.

Kentucky State Fair Contracts For Only Highest Class Amusements.

For the past ten or twelve years, or since the Columbian Exposition at Chicago in 1893, street carnival companies have fairly overrun every community in the United States. They could be found upon the slightest provocation at the street fair, county fair and even at some state fairs.

Believing that the public is surfeited with shows of this character, that is, a cheap attraction which barely escapes being a fake, the State Board of Agriculture, under whose auspices the Kentucky State Fair will be given in Louisville, September 16th to 21st, is closing contracts for big amusement features only, and is making no deals with carnival companies. It is sending direct to the great amusement resorts of the country the chairman of the amusement committee, Mr. Pink Varble, giving him authority to get the very best.

In line with this policy, Mr. Varble recently visited Chicago and made a thorough inspection of the famous White City, River View Park and Linn Park. He closed with several of the biggest shows in these big amusement places. One of these is Mundy's Great Wild Animal Show. Mr. Varble says that Mundy's is undoubtedly the best line of wild animals ever collected under a tent, and the finest collection of each kind. This big zoological congress is one of the most complete trained wild animal organizations in America. No better collection nor finer specimens of the Asiatic and African carnivora are to be found. Over 100 lions, tigers, jaguars, leopards, panthers, hyenas, wolves, etc., are shown in the highest state of high schooling.

Mr. Varble also closed a contract with the Igorroto Village. This present horde of barbarians are importations direct from the Philippines. The primitive life will be lived every day just as it is at Bontoc. Their huts are of material which has been brought from the mountain fastnesses of the island of Luzon. Unlike the more civilized nations, they believe that the safety of dress is in the clothing of nature that God gave them on entering the world. The native industries of these people are shown in this village, and the women may be seen weaving their bright colored cotton cloths while the men are engaged in making rings, baskets and pocket hats. Performances will be given both during the day and at night at the Kentucky State Fair.

LOWEST RAILROAD RATES.

The railroads in Kentucky have made a rate of one fare plus twenty-five cents for the round trip to Louisville on account of the Kentucky State Fair, September 16th to 21st. Tickets will go on sale Saturday, September 14th, and will be good returning until Monday following the fair, September 23d. The rate in Indiana will not be one fare on account of the regular rate being two cents a mile instead of three as it is in Kentucky; however, low rates will apply from points in Indiana.

ERUPTION OF VESUVIUS.

The State Fair management has closed a contract with Payne's Pyrotechnic Co. for a reproduction of the Eruption of Vesuvius during the big exhibition at Louisville, September 16-21. This is one of the greatest fireworks spectacles ever produced in the United States. It is expected to prove a big attraction.

BIG PREMIUM LIST.

Twenty-five thousand dollars is a lot of money, but that is what is offered in prizes at the Kentucky State Fair, Louisville, September 16-21.

THE LIMIT OF LIFE.

The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period, that determines its duration, seems to be between 50 and 60; the proper care of the body during this decade cannot be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by Chas. C. Davis druggist, 50c.

The entire State of Alabama is

stirred up over the expected clash between the State and Federal authorities with regard to the enforcement of the new rate bill, the operation of which has been restrained by the Federal Court and the State officials enjoined from carrying out its provisions.

Spasms St. Vitus' Dance

Many persons who suffered untold agonies from epilepsy, fits, spasms, and St. Vitus' Dance are today well. The strengthening influence of Dr. Miles' Nerve Tonic upon the shattered nerves having restored them to perfect health.

"I endured agony that words cannot express from St. Vitus' dance, which followed a very severe spell of rheumatism. I doctored with a physician, but the more I took of his medicine the worse I got. My mother's devoted care saved me. After she had become almost heart-broken, as well as physically exhausted from constant care, by the advice of a neighbor she procured a bottle of Dr. Miles' Nerve Tonic. From the first dose to the last a continual change for the better was noticeable, and when I had taken eleven bottles I was well, and in robust health."

EDWARD D. REAM,
North Manchester, Indiana.

"Our little boy Harry, had spasms for three years, and although we doctored with many physicians, he continued to grow worse until he had ten spasms in one week. About that time our attention was called to Dr. Miles' Nerve Tonic. We began giving it to him, and his improvement seemed slow, but when he had finished the fourth bottle the spasms had disappeared, and have not been seen now for years. We shall always recommend Dr. Miles' Nerve Tonic."
